A SAFER PROVINCE FOR EVERYONE:

# Responding to Violence Against Sex Workers

You are invited to the Safer Province for Everyone Conference. This conference will bring together diverse stakeholders from around BC to discuss best practices in responding to violence against sex workers. The first of its kind in BC, the Safer Province for Everyone Conference will host sex workers, sex-worker organizations, Indigenous organizations, police, government, health authorities, legal organizations and others from throughout BC.

Speakers from across the province include sex workers, RCMP, nonprofits, academics and municipalities.

## Themes include

- Understanding violence in the sex industry
- Provincial Sex Work Enforcement Guidelines
- Provincial bad date reporting system
- Best practices to decrease violence

Limited travel scholarships available.

This conference is sponsored by Living in Community in partnership with WISH Drop-In Centre Society, Health Initiative for Men, SWAN, Peers Victoria, Vancouver Aboriginal Community Policing Centre, PACE Society, The Metro Vancouver Consortium, and EVA BC.
